### **Challenges**

- \* Inadequate fund to purchase more gift
- \* Few patients at some wards due to visitation on weekends
- \* Inadequate publicity for the programme

### **Recommendations**

- \* Adequate publicity should be made for the programme
- \* Special fundraising should be made for the next visitation e.g special WhatsApp group Donation of items should be encouraged.

## **Appreciation**

The coordinator wish to appreciate the support of everyone who support the Initiative financially,the members of Mssn Osogbo Central branch as well as a member of An Nusrah Foundation health seminar group on WhatsApp who joined the team in Osogbo. We thank Allah for the success of the humanitarian visitation.

## **Conclusion**

We thank Allah for the success of the visitation exercise,we pray Allah accept it as act of ibadah from us Amin.
